SHUED FOR JOY

Dear Debbie,

Today, or I should say tonight is the 28th of Sept. I should of had this written 3 months ago. I'm really sorry I haven't written in your matio earlier. You wrote in my Matio before I left and expressed yoarselt very well. Now I'm writing after I left and having a hard time expressing myselt. Before I left I told you millions of times "I Love You" and you told me the same. But since I have left, my being without you makes those 3 words sort of insignificant. It's something deeper without a word for its meaning. Its a feeling which is undefinable. The only words I can say that come close to my feelings toward you are what I always say "I Love You". And now I have to add 6 more words to make it accurate "and I miss you so much."

Before I left I had planned what and how I was going to say good-bye to you. I was going to be driving the Van back and I would be by myselt, just you and I saying good-bye, having a last kiss before Christmas would come for our next. But my parents screwed that up. You said I looked so miserable in the back seat of the car going away. The fact is that you don't know how miserable I was. I looked over my shoulder to get my last glimpses of you and all you were doing was sitting on the curb. Remember how I was at Ford Park the night before? Well I'm that way now too. Oh Debbie I miss you so. God, I'm so depressed. I miss everything we did together and all the different places we went together. We never went anywhere without each other, I guess that's whats making me so lonesome and depressed. I have no one to confide in and no one cares, so all I can do is bare it or cry.

I hope you see how much I love you by what I'm doing for us. Of course I know you do.

It's been real fun this year and I hope that maybe we can play some tennis during the summer. Have a blast and stay off that hard stuff. Be sure to go to the football games so you can see me at ½ time.
See ya. Lori "11"

Debbie,

I'm so glad I got to know you this year. Too bad it's taken almost three years and your brother to make us friends! But you're so sweet and you care about everything. I hope everything turns out alright with you and Jon. I know how you feel about his leaving this summer. It just so happens I know those feelings. It's so nice to be able to talk to you about Kit without feeling embarassed about my liking him or having you think bad things about me. Thanks for the advice. We'll have to keep in touch this summer in order to exchange news about him and Bob. I'll probably see you in summer school. So till tomorrow(?)

Love,
Denise

His skill as a teacher and coach, his wisdom as a counselor to students, his friendliness and wit in and out of the classroom, have gained him a wide respect throughout school and community. His smile and ready humor are infectious, but, in addition, he brings to his work a high and serious professional skill that is widely recognized and appreciated by all who know him.

He grew up in Southern California and was graduated from Redondo High School in 1944. Shortly afterward he enlisted in the Army Air Corps and was sent to the campus of Oregon State. The following year he spent at Stanford University, then went overseas and terminated his military service in Toyko in 1946.

He returned to California and enrolled at U.S.C., where he earned his Bachelor of Science Degree in 1949. By 1951 he had gained two Masters Degrees, one in Physics and one in Education.

In the Fall of 1952, after three years of teaching in Newhall, California, he came to Redlands High School. Since then he has become head of the Science Department, has organized the Physics Club, coached Bee football, cross country, and varsity track. He has served as President of the International Torch Club of Professional men, and has been a diligent worker in the Redlands Teachers' Association.

His teaching experience spans the globe, including a summer in India at the University of Mysore (1968), and last summer at Queens

University in Kingston, Ontario, Canada. He is also employed by the University of Redlands as an instructor in Physics and Astronomy. In addition he has received numerous meritorious awards.

His life is one of continuous endeavor and dedication to school, community, and country. We are proud, therefore, to dedicate the 1970 MAKIO to Mr. William Cunningham as a small expression of our gratitude for enriching our lives at Redlands High School.

PERCEPTIVE LEADERS

Dear Student Body,

It has truly been an honor to serve as your student body president this year. It has been an experience which I shall never forget. I know that I will be able to look back upon this year, as many of you will, and remember that it has been one of the most rewarding years of our lives.

We have all seen and experienced victory and defeat. When defeated we have always been able to pick ourselves up and get back in the race. To me this is a tribute, and it makes me proud to be a part of Redlands High School.

As seniors we have many accomplishments to our credit, among them are two consecutive victories in can drive competition, placing second three consecutive years in homecoming activities, and we are also leaving behind our achievements in school government, athletics, etc. as we part from R.H.S. It is now time for us to go our separate ways, seek new ways of life and to accomplish new goals. To you I say, thanks, good luck and God bless you.

It is now up to you juniors and sophomores to make R.H.S. the school it is capable of being. With the striving element in your classes and the potential leadership that exists, I am certain you won't have any problem.

MAKIO 1970

You know it takes a heck of a lot to put out a yearbook. Try counting pictures, or words, and what about all the ads that have to be sold? It's a longer season than any of the sports—and "practice" is every day, often nights and weekends.

So maybe all the "heroes" of this school don't play football or run student government. I like to think that some of the hardest working on campus are right here, trying to put out a good yearbook for you. Sure we make lots of mistakes—doesn't everybody? This is a learning process for all involved. There are times when it seems like a drag or imposition; but when April 20 rolls around and all the pages are in, it's a good feeling, and by the time the book comes out the good has outshone the bad—there's something tangible and real and lasting—a tribute to the staff, the year and the school.

I'd like to thank all those who gave their best efforts to make this all possible. The "veterans"—Brenda Mac, Donna Linton, and Marion Shaw—without whom I wouldn't have been able to survive; also Louie Calderon, our hardest worker, who single handedly put out our sports section. Jill Muhl, Bob Tyson, Debbie Ervin, Bunny Kunz, Marilyn McKimmie, and Susie Watts all did outstanding work. And of course the photographers led by Rob Jones, had about the toughest job before them. So to these and all the others I say "thanks."

Hope you enjoy the 1970 Makio.

DAISY CHAIN AND USHERS

Each spring thirty girls and twenty-four boys from the Junior class are chosen on the basis of their academic standing to serve at commencement exercises in June. The girls' traditional white dresses and the chain of ivy and daisies lend a special impressiveness to the solemn occasion of graduation. The ushers, for many years supervised by Mr. George Johnson, distribute commencement programs and lead spectators to reserved seats.

CALIFORNIA GIRLS' AND BOYS' STATE

I spent one week having my mind blown apart and my ego shattered this past summer. Immersed in a boiling caldron of people and man-eating ideas, I emerged a person, with my brain a little more wrinkled.

Calif. Boys' State 1969 was an experience comparable to that of watching the sun rise from the bottom of the sea. Eight hundred and fifty thinking, vibrant people collected from state wide extremes: from Redwooded cities of Humboldt County to the parched sand dunes of Yucca Valley. We got together to feel the love of mankind shake the foundations of more than merely the Old Sacramento State Fair Grounds, but those of the true state offices.

In a model State Government, 850 guys built lasting friendships and constructed new minds.

I feel a deep gratitude to RHS, the American Legion, and everyone responsible for giving me this beautiful gift.

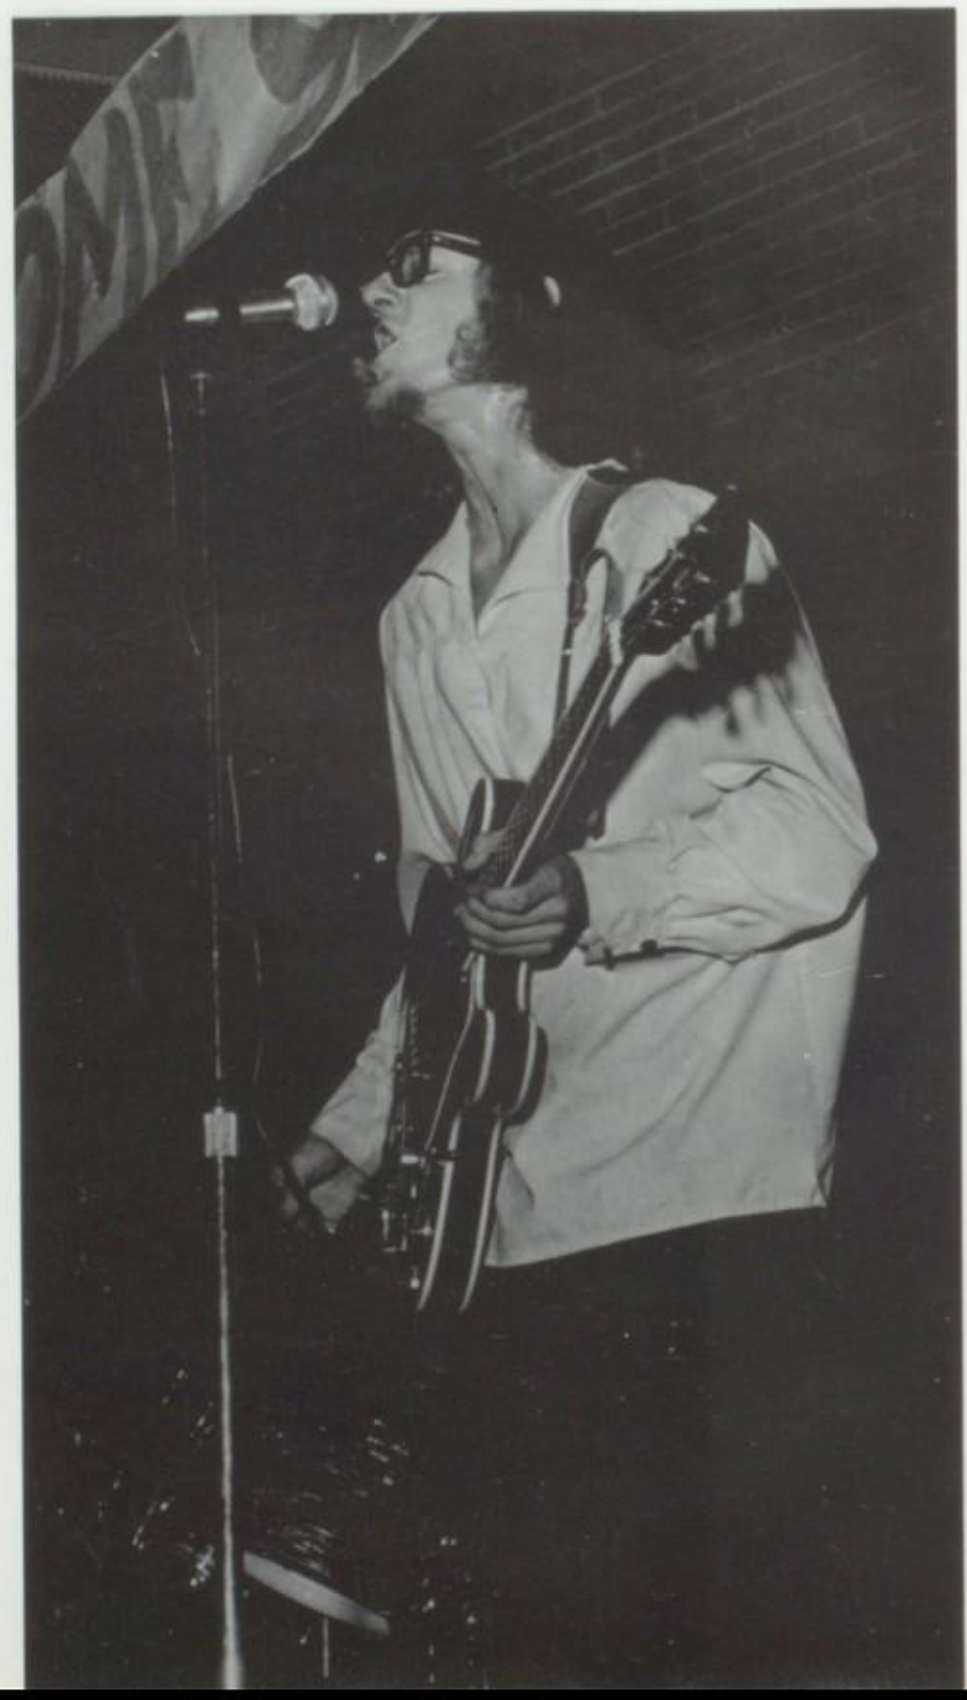
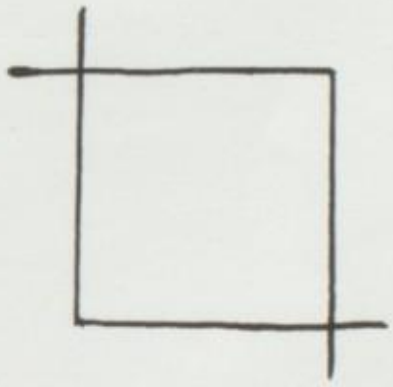
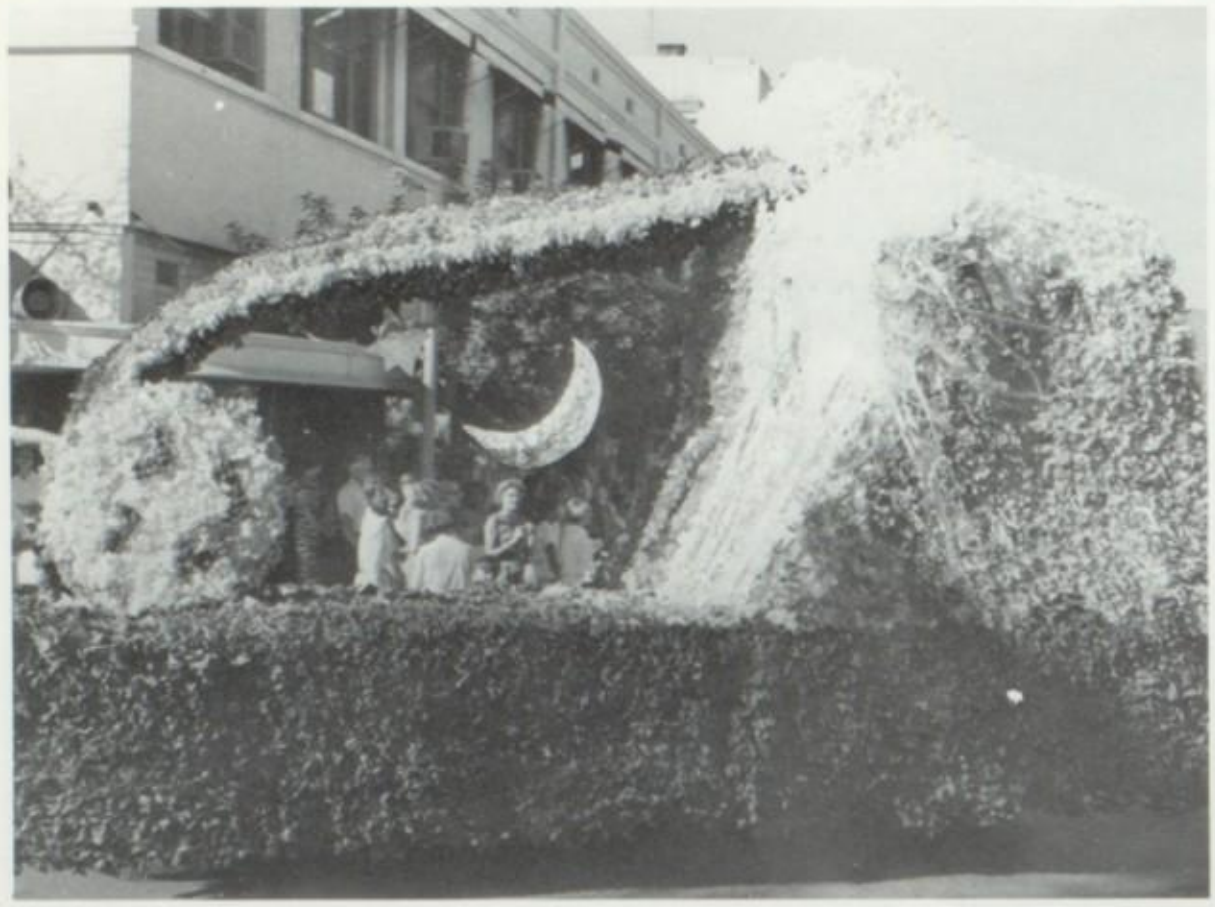
HELLO WEEK

The Hello Picnic celebrated the end of the first week of school. All Terriers came together to welcome incoming Sophies and start the year off right. The Juniors and Seniors played their traditional softball game, won handily by the mighty class of '70. McDonalds' hamburgers, tuna sandwiches, and Cokes satisfied every appetite and slaked every thirst. A dance in Terrier Hall climaxed the evening with far-out sounds provided by "Toad" from 8:00 p.m. to midnight.



COME TOGETHER





AGE OF AQUARIUS

The Homecoming parade represented the end to a long week filled with hard work and tense excitement. The crowd of students and citizens that lined the streets admired the completed class and club floats and applauded the G.A.A., the band, and the pep squads.

The electricity mounted as the crowd surged to Redlands Bowl for the pep rally. Pep squads performed and announcements were made. Paula Gordinier was chosen Sophomore princess and Gg Hesley was the Junior princess. Kris Capps, Liz Nielsen, and Leona Sanford were introduced as the Senior Queen candidates. After an eternity of waiting, the Sophies were pronounced 1st place winners in the float competition! Stunned Seniors slipped into their accustomed 2nd place, while the Class of '71 took third. Then everyone headed home to begin preparations for the game and dance.

GO

HOMECOMING

The crowd stood nervously waiting at half-time as the queen candidates were escorted onto the field. Student Body President, John Kaiser, hesitated for a moment, then turned and presented Kris Capps with the traditional crown and kiss. Amid the happy yells from the stands, the girls were escorted to their special platform for the second half of the game. At the conclusion of the Alma Mater, excited Terriers began arriving in couples and in groups for the 1970 Homecoming Dance in Terrier Hall. Kris Capps graciously smiled on her court as they danced to the music of The Facsades.

"THE BOYFRIEND"

R.H.S. opened Clock Auditorium for the first time in 2½ years with our first musical. "The Boy Friend", written by Sandy Wilson, was first presented to SRO audiences in August and called back for repeat performances on September 18th and 20th. This delightful spoof of a posh French girls' school in the Roaring 20's was enthusiastically received by the audiences. Guest directors, both professionally connected with "The Boy Friend", were Amy Leeming and Verne Cooney with Barry Wood and the Bearcats excellently performing the musical score. We extend congratulations to all connected with the musical and a special credit to Mrs. Billie Daniel, co-ordinating director.

"EVENING IN PARIS"

WINTER BALL 1970

Like Sleeping Beauty in times of old, the beauty of the Queen was awakened at the magic midnight hour. Lynn Toscano was crowned queen of the Winter Ball at the Elks Club. Students reveled in the beat of "Capacity Unlimited" and savored the atmosphere of dim alcoves where intimate tables caught the romance of an "Evening in Paris".

ENTERTAINMENT PLUS

Clock Auditorium opened this year with an assembly on the history of Mexican-Americans. This was done by a family of three who told the history through songs and music. The assembly climaxed Mexican-American Week at RHS.

Every year a teen challenge assembly is presented to the student body. The topics are the personal experiences of drug addicts and their rehabilitations through teen challenge.

Concert choir presented Christmas carols from different lands in the Christmas assembly. This was the same program presented to different clubs in town.

National Nearo Week was saluted by Terriers who attended the assembly put on by the Redlands Black Student Union. Mr. Dabney of San Bernardino Valley College told of the contributions and history of Negroes in America. A choir directed by Mr. John Hobbs sang spirituals.

The Idaho State College concert choir were guest performers at a special. assembly. The highpoint of the assembly, under the direction of Dr. James H. Gabbard, included songs from the musical **Oliver.**

This year the Drama Department's group of one-acts was so successful it was decided to have an assembly to present a portion of it to the students of R.H.S. "Kiss Without Touching," a collection of sad-happy poems written by Mrs. Talbert, a resident of Redlands, was presented.

"Star-Spangled Girl"

Neil Simon's **Star-Spangled Girl** was presented in Clock Auditorium to delighted audiences January 28, 29, and 31. This three-act play takes place in San Francisco in the duplex-studio apartment shared by Andrew Hobart, the editor of a protest magazine, and his love-stricken roommate, Norman Cornell. Sophie Rauschmeyer, a swimmer from South Carolina creates a love-triangle and a hilarious solution to all problems encountered. Mrs. Daniel, director, may add another hit to her credit.

KISS WITHOUT TOUCHING

Kiss Without Touching was presented in Clock Auditorium on March 6 and 7, 1970. It included two one-act plays and a collage of poetry. The audience was captured in the spirit of spring love. The first play, "Yes, Dear" by Warren C. Graves, dealt with a middle aged couple faced with the 21st birthday of their oldest child. "Please Call Me Sol" by Rena and Stanley Waxman, portrayed an elderly Jewish couple on their wedding day. Their new-found love triumphs over the memory of their first mates.

The poetry was written by Harriet Talbert, a resident of Redlands. An eerie effect was established by presentation on a totally black stage with lights illuminating only the faces of the speakers. The entire show was so superb that the poetry section was presented in all-school assembly.

CAN DRIVE '70

Each year RHS student unite into their respective classes for one of the major events of the school term. Again this spring, armed wtih class loyalty and sturdy index fingers, they scoured their section of Redlands ringing doorbells and collecting cans to be donated to the Redlands Family Service. At nine o'clock the dance got under way, and the trucks went to be weighed. At 10:00 it was announced that the mighty class of '70 had again taken first place. The Sophies came in second and the Juniors trailed in third. Dancing and fun continued, accompanied by the music of the Blue Test.

Debbie,
You are such a crazy kid. But I love ya that way. Be good and stay out of trouble. Good luck in everything you do. You deserve the best!

SENIORS

Dear Class of '70,

Our three years together have gone by faster than any of us expected. As sophomores we were eager but inexperienced. As juniors we were pressured by our studies. As seniors we have become a class that is diverse in quality and accomplishment. We should remember the last three years of our lives not as our "best" years, but rather as the beginning of a life of frustration and exultation, sadness and jubilation, disappointment and gratification, and exhaustion and rejuvenation.

I won't cry on about lasting friendships or unforgettable good times; there will be more to come. I wish success for those who deserve it and happiness to those who spread it.

Sincerely,

Jon Edwards

LONG BEACH POLY EDGES TERRIERS

The LBP Jackrabbits edged the Terriers 14-12 in the 1969 football opener.

The Jackrabbits had a 14-0 lead near the close of the 3rd quarter, when Dykstra found TE Tim Harty all alone on the 2-yard line for a 28-yard TD pass.

In the fourth quarter Redlands started a drive on their own 23-yard line with Dykstra completing passes to Pat McNally of 10, 14, and 25 yards. The 4th pass to McNally was good for 12 yards and a TD. The two-point conversion failed and left LBP in front by two points.

The Terriers suffered their 2nd defeat in a non-league game against the George Fraser-led Anaheim Colonists at La Palma Park.

In the 4th quarter, a fumble recovery by David Cook led to the Terriers only tally, a one yard TD by Rick Krause.

The Terriers opened their Citrus Belt League campaign with a 21-14 victory over the Pacific Pirates at the Orange Show Stadium.

After a short punt by Pacific the Terriers drove for a 14-yard TD keeper by Dykstra. The 2nd TD came with 13 seconds left before the half, when Steve Pyatt intercepted a pass and returned it 52 yards.

The Pirates tied the score in the 3rd quarter, but the winning TD came seconds before the 4th quarter when Dykstra capped a 68 yard drive on a QB sneak from the 1-yard line.

TERRIERS WIN SMUDGEPOT FINALE

The Terriers rolled to an easy victory over the San Bernardino Cardinals, 20-0 at the Orange Show Stadium.

Redlands, taking advantage of a short Cardinal punt, first scored on a one yard plunge by Dykstra.

Midway through the 3rd quarter, Dykstra threw a 7-yard screen pass to Russell. The score remained 13-0 after the one-point conversion was blocked.

The Terriers' final score came on a Dykstra 17-yard pass to Tim Harty for his 2nd TD pass of the day.

Trailing 7-6 entering the final quarter, the Terriers drove 92 yards with Russell picking up 71 yards in 7 carries and Pat McNally snaring the 5 yard TD pass from Dykstra.

Redlands faked a kick and passed for a two point conversion from Rick Hughes to McNally.

VARSITY BASKETBALL A SEASON OF UPS AND DOWNS

It was a rebuilding year; the Terrier basketball team was young, exciting at times, but often erratic, finishing the season with a 9-15 mark.

In most games coach Endeman used underclassmen primarily; seniors saw only limited action.

Next year Redlands figures to be a contender with players such as leading scorer Mike Savage, Rod Jensen, Mike Fulmer, Pat McNally, Brian Billick and Mike Hershberger.

The Terriers finished in a tie for 5th place in CBL Competition with a 5-9 record, trailing Pacific, Ramona, Eisenhower, and San Bernardino.

TRACKMEN GAVE FOES THE RUN-AROUND

When the Makio went to press on April 20, the varsity track team was in a tie for second place with Eisenhower and trailing league-leading Fontana. Redlands' chances of repeating as CBL champs were shattered by a one point loss to Fontana earlier in the season; but an Eisenhower victory over Fontana on April 24, would put the Terriers in a three-way tie for first place with the Eagles and Steelers.

Leading the Terrier thinclads were Ennis Dixon, who holds the CBL record so far this year in the 120 high hurdles (14.8) and the 180 low hurdles (19.9). Larry Lawson had a safe lead in the mile in a time of 4:37.2; and Lloyd Reifel led all two-milers with a time of 9:51.3.

Another point collector was Marty Hill who was in a tie for first place in the pole vault at 12'6".

VARSITY TRACK TEAM: Row 1: Bernard Fauntleroy, Dwight Pledger, Ennis Dixon, Lederyl Jones. Row 2: Bernie Brown, Carl Poole, Marty Hill, Andy Hollingworth. Row 3: Coach Cunningham, Terry Lloyd, Coach Scribner.

The Redlands High Bee team was 4-1 by mid-season with their only loss to the Ramona Bee's.

Gerald Coyazo, Juan Black, Ray Roberts and Barry Carter added valuable points for the team.

The Terrier Cees suffered with a 1-4 in league play with all the strength in the varsity and Bees. Contributing to the squad were Walter Rogers, Nevin Lemanski and Mitchell Curtis.

G. A. A. 1969-70

The purpose of this organization is to further the interest of athletics for girls, to develop a spirit of loyalty and co-operation, and to further the highest ideals of good sportsmanship among girls—not only in athletic activities, but in all student activities.

The girls of the basketball team led G.A.A. to their first CBL victory. The "A" team under the direction of Miss Judy Ritner topped off their season with a CBL Sportsday victory at Pacific High. The Redlands girls had strong opposition from San Gorgonio, Fontana, Pacific, Colton, Chaffey, and Palm Springs.

The girls of the G.A.A. tennis team ended their season with a perfect 12-0 record. The second G.A.A. team to attain a CBL title was led by Carol Burke in singles with an unbeaten season and Francie Lee and Denise Gibson in doubles with near-perfect performances.

Under the direction of Miss Martin, the tennis team looks forward to another fine season because of the return next year of many top players.

The hard-driving girls' swim team ended their competition with a second place notched in CBL standings. Led by the coaching of Miss Johnson, the Redlands girls brought home many honors.

CLASSES

Fellow Juniors,

With the close of the academic year, we find it necessary to review our efforts of the past nine months. When I look back, I fill with pride at the goals attained—both as a class and as individuals. I'm especially thankful for your allowing me to have been a part.

Yet most important is the reflection of Toynbee's Challenge and Response Theory of history in the past year. When, as a class or as individuals, we were presented with challenges, we never failed to respond. Hence I know that as we pursue our varied interests in the future, we shall continue to flourish because of our ability to respond.

May Lady Luck always be with you,

Butch Edge

Sophomores,

I've been proud to serve as your class president this last year. We entered RHS with mixed skepticism, and scattered hopes. We will now turn from mere Sophomores to mighty Juniors, seasoned by mistakes and aged with battle scars. I fully believe we have the potential to succeed in any task we set our minds to, because of our determination and persistent efforts.

It's been my great pleasure working with you in this, our initial year of high school. My gratitude is all I can offer now for your lasting support and cooperation.

Sincerely,

Brian Billick

American Field Service

OFFICERS: PRESIDENT, TONY NEWFIELD; VICE-PRESIDENT, SHARON RIEGER; SECRETARY, ANN GENSLER; TREASURER, BRUCE EPSTEIN.

One of the most interesting groups at Redlands High School is the American Field Service. The club's main goal is to gain knowledge and understanding of the people and customs of other lands. It is responsible for supporting a foreign student here at RHS, and for sending an RHS student to another country. This year Tony Newfield was the student chosen for a year in Brazil. His address is:

Tony Newfield
Rua General Neto 285

Rio Grande Do Sul

FOREIGN STUDENTS AT R. H. S.

Arne Scharff's opinion concerning the American and European school systems is that the students in Germany work harder for their grades. Besides being active in clubs and attending dances, Arne likes scuba-diving, swimming, tennis, and track.

Gustavo Moscoso, is preparing for a career in law when he returns to Ecuador. He likes movies, the theater, volleyball, and basketball. His most favorable observation of the United States and Redlands is the abundance of girls!

Arna Vik lists folk dancing, skiing, gymnastics, and football as a few of her favorite activities. She likes Redlands High School and says the main differences between the two school systems are that in Norway the students stay in the same class all day while the teachers move from room to room. Although Arna would be taking 13 to 14 classes this year in Norway, she wouldn't have every subject every day. Her classes would be worked out into a weekly schedule.

Michel Dupeuble, Redland's French foreign exchange student, will major in political science in college. In addition to the United States, Michel has visited Germany, Switzerland, Spain, Belgium, and Ireland and has enjoyed them all very much.

Reading and playing basketball are the favorite pastimes of Claro Corpus. He came to the U.S. from the Philippines through YFU and is residing with the West family. He plans on majoring in engineering in college.

MILEAGE MAKERS

O.H. Pushers

Each year students volunteer to assist the O.H. students on our campus by pushing those in wheelchairs, carrying books for those on crutches, bringing lunches to O.H. students in the cafeteria, and generally helping in any other way possible. Gidget Pittam, chosen by Student Council, made assignments and coordinated the programs. These volunteers are vital to the success of the O.H. program at R.H.S.. for without them our handicapped students would have a very difficult time in trying to adjust to life in high school. The volunteers who unselfishly give their time, are greatly appreciated by the O.H. teachers, who, otherwise, would have to take time to help all their students to and from their classes.

A COLORFUL ADDITION

The R. H. S. Drill Team, led by Joannie Ramos, was enlarged this year to forty members. The use of miniature flags and pom pons added to their versatility and color during the parades and half-time shows. Truly, these girls were a colorful addition to our Band Auxiliary.

ENHANCERS OF HALFTIME

A darkened Terrier Gym during a pep rally is an indication that the majorettes are performing with their colorfully lighted batons. On the football field during halftime, they work with the flags to present routines, backed by the band, that delight home fans and visitors alike. The shields are one of the most important of the band auxiliary in that they proclaim to all that "We are Redlands!"

BIG BAND SOUND

"Love Is Blue," "I Am a Rock," and "Gig for a Ghost" were just a few of the numbers performed by the RHS stage band, enthusiastically received by near - capacity audiences. Stage Band, conducted by Barry Wood, consists of members who are taking it as a class and a few who have given up their lunch periods to practice with the band. From saxophone to guitar, from chimes to castinets, much skill and variety is displayed by these able musicians.

TRUMPET CALL TO RHS SPIRIT

The Terrier marching band, long an example of good music, was even better this year!

Proudly displaying their colorful new uniforms, they marched their way through many half-time shows that were immensely enjoyed by students, parents, and alumni. Members of the marching band gave up much of their time for endless practice for half-time shows. Pep rallies and basketball games would not have been the same without them. Directed by Mr. Barry Wood, and led by Drum Major, Andy Marshburn, these fine students deserve much praise from Redlands High School and the community.

MUSICIANS ON THE GO

Orchestra

The R.H.S. Orchestra, conducted by Mr. Barry Wood, performed again this year to delighted audiences. Their concerts were well-attended and enjoyed by young and old alike.

Choirs

Our choirs consist of some of the hardest working students at Redlands High School, whose practice results in beautifully performed programs of Christmas music. Under the able direction of Mr. "Pop" Schowalter, the choirs make appearances at many organizations in Redlands during the Christmas season and throughout the year. Redlands High School can be proud of these musical achievers.

FACULTY

HAIL AND FAREWELL

For the past sixteen years our schools have enjoyed the superlative leadership of Dr. H. Fred Heisner. His time with us has capped an outstanding career as teacher, lecturer, professor, and administrator. Under his tutelage our schools have experienced tremendous growth, since Dr. Heisner arrived from Inglewood, where he had been District Superintendent. In that time the RHS campus has expanded with the addition of twelve new buildings; three Junior High Schools have been built, and four elementary schools have been constructed. In addition, Dr. Heisner has been instrumental in maintaining a high level of educational quality in our schools and has worked diligently to preserve academic freedom and high teaching standards.

We join with Dr. Heisner's friends and colleagues in thanks for his service to us, and warm wishes for the future as he retires from his Superintendent's position this year.

You members of the Class of 1970 have made a worthy contribution to our school this year through your leadership in student government, sports, and many other activities. We are pleased that you could experience at least one year on a normal schedule and with the use of the new buildings and Clock Auditorium.

In the immediate future you juniors and sophomores will witness the construction of the new administration building and the addition to the library. We look to you to carry on the tremendous Terrier spirit and tradition.

My best wishes to each of you!

HONORS FOR EXCELLENCE

On this page we are proud to honor a retiring veteran teacher who has given RHS the last 22 years of a superlative career. Mr. Robert C. Dietrick, head of the Agriculture department, was born in Missouri, but spent his boyhood in Douglas, Arizona and Cananea, Mexico. He recalls seeing the former stronghold of Cochise, the great Apache war chief and of seeing Pancho Villa and his men on a raid over the border. At 17 he was hired by General John J. Pershing's staff as interpreter to the Yaqui Indians, when Black Jack went into Mexico attempting to seize the bandit leader.

Mr. Dietrick received his early education in the Los Angeles area and was later graduated with a B.S. degree from Oregon State. He also attended U. of Oregon, U. of Hawaii, Cal Poly, U. of R. and UCR. His teaching posts as Agriculture instructor and FFA advisor were in Rainier, Oregon; Ontario, Oregon; Kohala, Hawaii; and Half Moon Bay, California. He came to RHS in 1948 as head of the Agriculture program. His bright personality and super skill soon earned him popularity with students and also won him the CATA State Teacher Award, the 30 year American Federation of Agriculture Award, the Redlands PTA Service Award, and the Outstanding Teacher Award from the Industry Education Council and the University of Redlands. His hobbies are raising sheep, training sheep dogs, and racing pigeons. He is an accomplished rancher as well as a teacher, and in addition is active in church life and Kiwanis. He and his wife Helen are justly proud of their daughter Ann Gailey, an RHS graduate, her husband Richard, a TV Training Teacher in Calgary, Canada, and their six children.

For such a life and its dedication and hard work and what it has meant to the students of RHS, we honor you Mr. Dietrick, and extend warm wishes for the future .

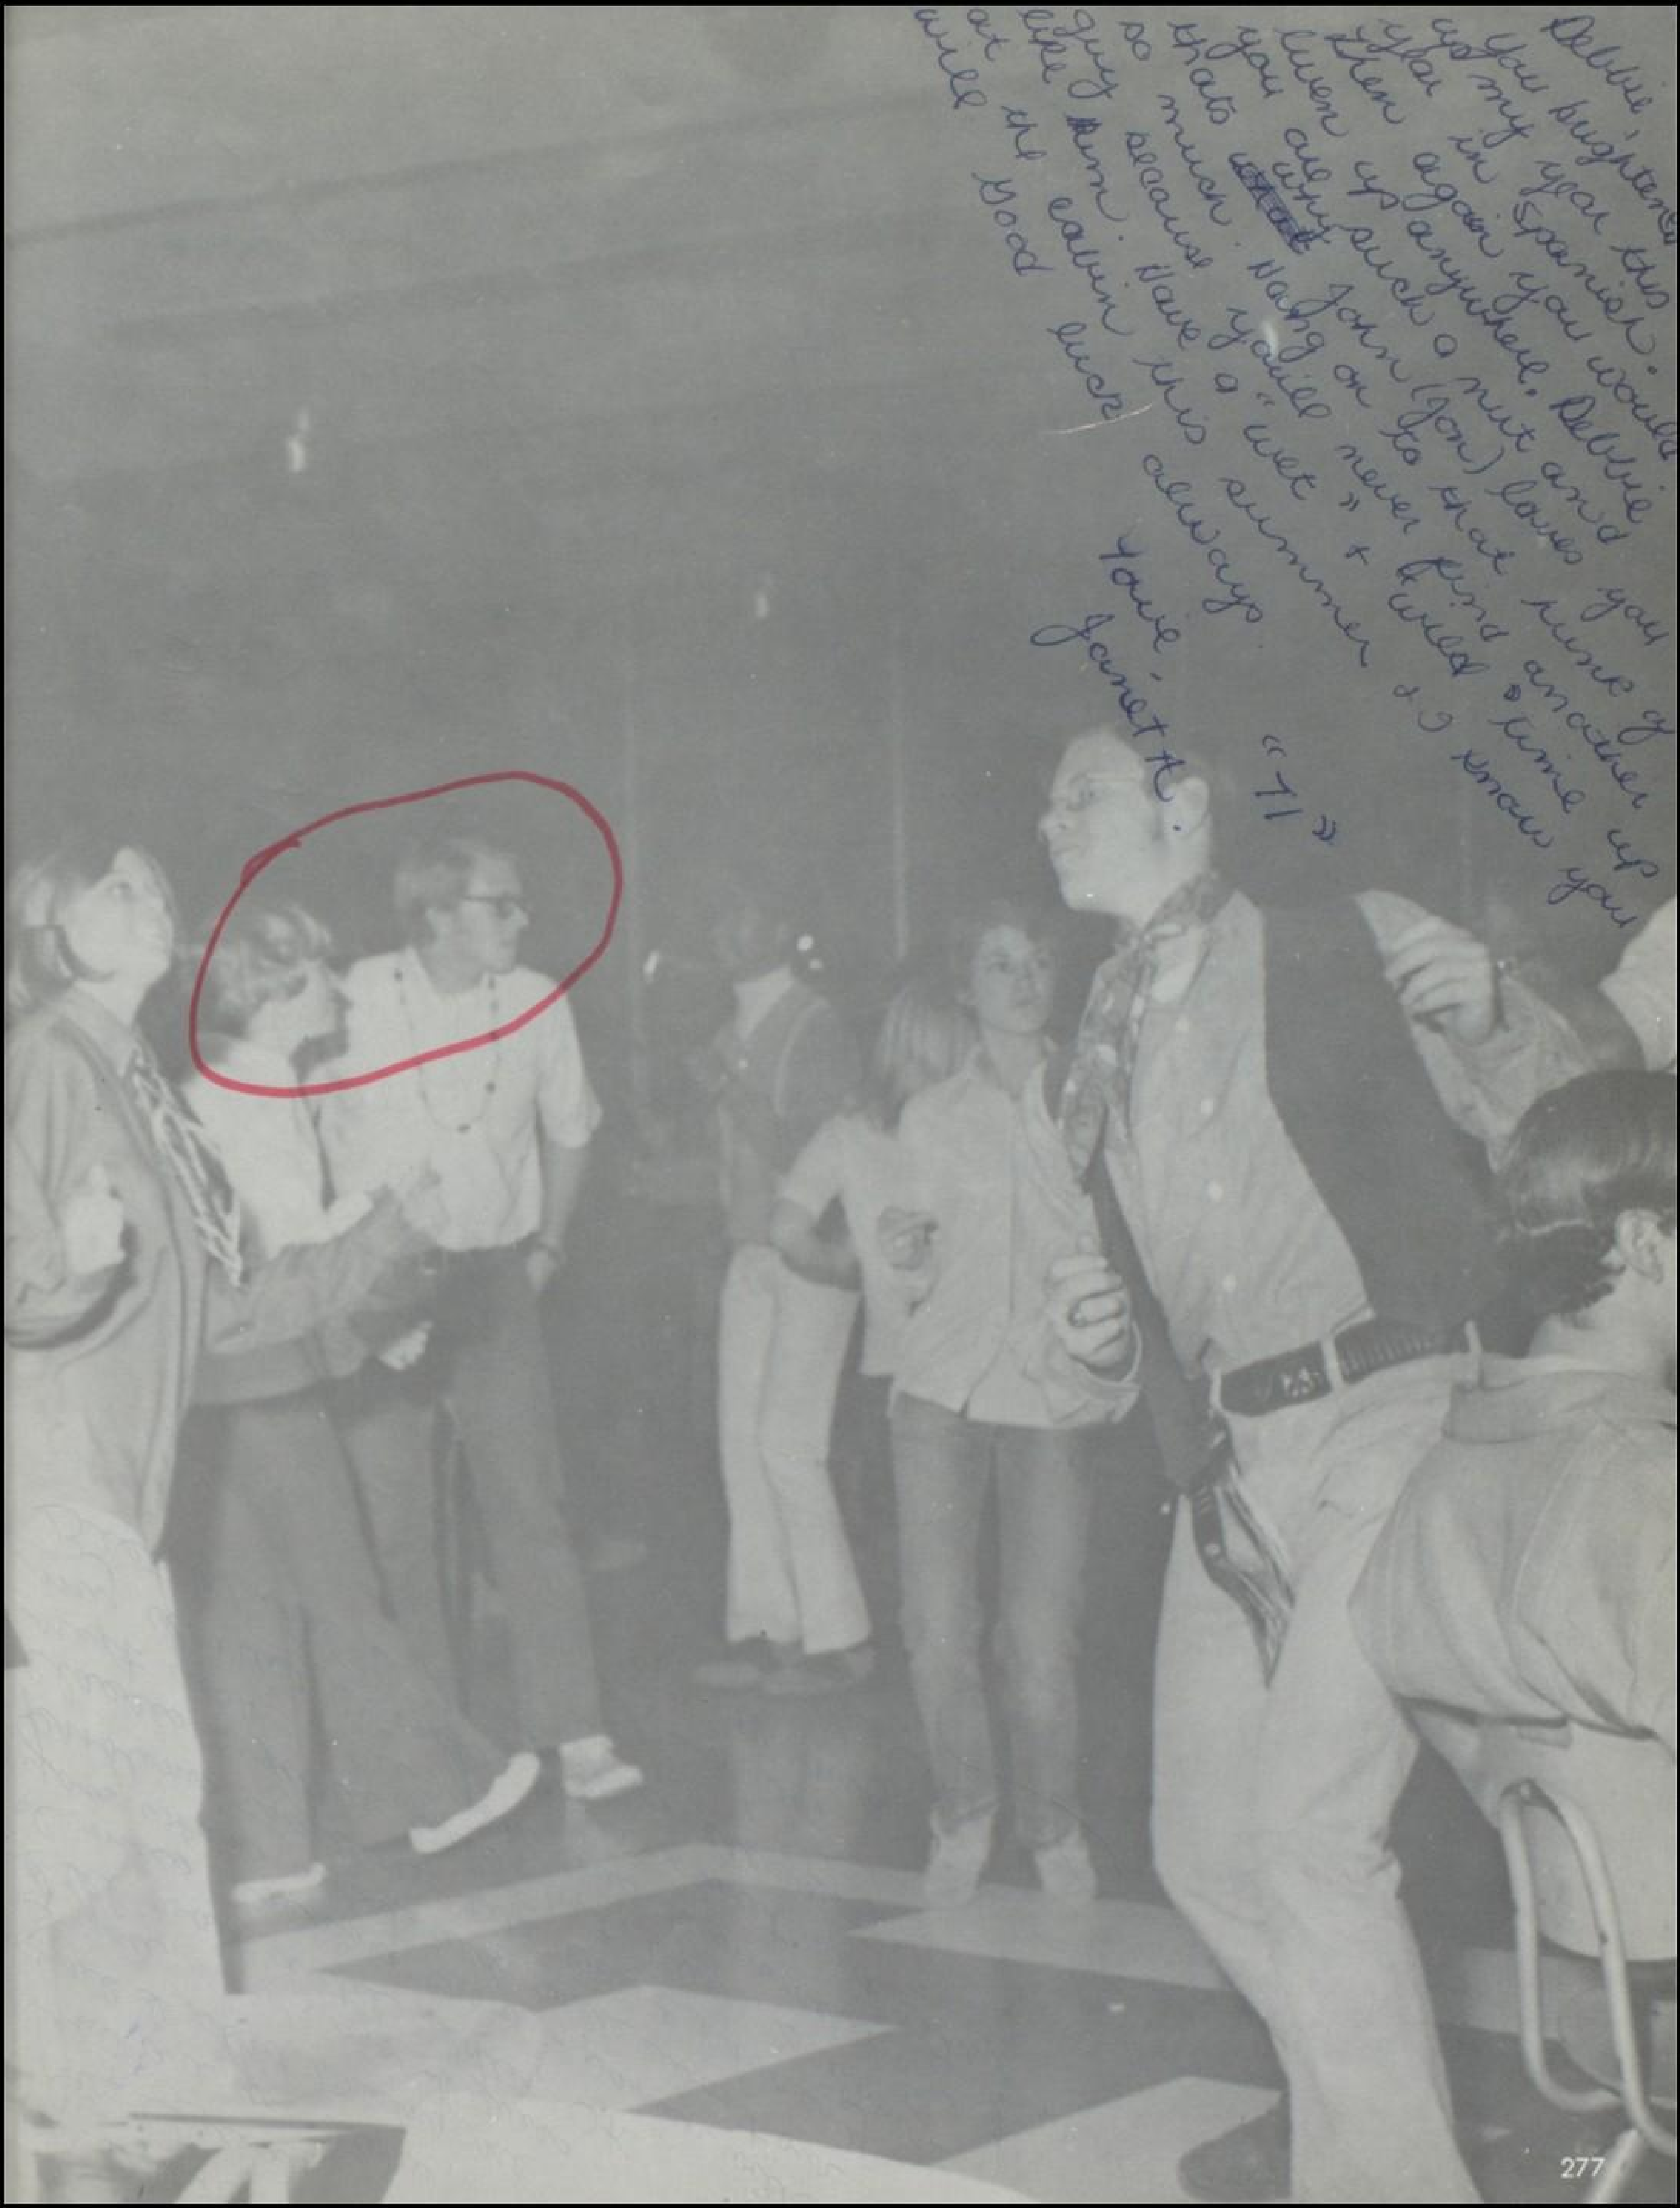
Debbie,
RED is still right-right!
Well again it's the end of the year and
we made it. It was pretty funny there
at first wasn't it? Bicky came down, but
then worked out OK. That was good
thing you and Jon were there to make
sure I was good. Just have to
remember! You guys will just have
to visit (ha ha!) more often and
we will see you and have fun and
keep in touch. Love ya do!
Next year should be even
more successful!
Patti



Debbie, you brighten up my year this year in Spanish. Then again you would liven up anywhere. Debbie you are such a nut and that's why John (Jon) loves you so much. Hang on to that guy because you'll never find another like him. Have a "wet" & wild time at the cabin this summer. I know you will. Good luck always

Love,
Janet A.

Debbie,

Its really hard for me to find words to describe the feelings I have for you. I wrote that first line before the 4th of July party; I really don't know if my feelings have changed but there're sure mixed up. I'm sure everything will work out for the best.

I can honestly say that I hope you and Jon get all of your plans.

I'm sure we'll always be friends. But if that changes I'll always remember your friendship, so warm and happy. I'll always remember all the fun things we did together. And all the things that you did for me.

Debbie stay as neat and always as happy as you've always been.

May God bring only the best to you and Jon.

Well, all good things have to come to an end

Thanks

Bob
